

DEV 3.3. Matching Exercise: Kenitra

12-13 October 2017 | Kenitra, Morocco

AGENDA

Room: Salle des Réunions de la Présidence

The main objective of the matching exercise will be to present the Jordanian and Moroccan national reports and attempt to “match” them to match governance procedures, guidelines, principles and priorities to their existing EU partner universities counterparts (University of Montpellier and Università di Roma – Sapienza). The exercise will be concluded with a regional integrated research and innovation institutional management model.
